Classroom Store I will have available for purchase in the classroom a few of the supplies necessary for class: fusible interfacing (There is no product on the market at this time that I can recommend) and a few basic notions. Some of these items may be difficult to find at your local shops because their use may not have "caught-on" in all locales.

If you have any questions before class, please feel free to email: brenda@bearpawproductions.com

Kits Kits are available if desired. Please pre-ordered via my website at the following web page:
